**Von Jennifer Banash : In Too Deep (Elite Novels)** before purchasing it in order to gage whether or not it would be worth my time, and all praised In Too Deep (Elite Novels):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Courtesy of Teens Read TooVon TeensReadTooStep back into the super privileged world of THE ELITE. The infamous girls living in one of New York's classiest apartment buildings, the Bramford, are back. While they may look absolutely perfect and dazzling, dark secrets are hiding behind their all-too-perfect appearance.Casey McCloy is finally starting to fit in. Her hair's not as unruly as it used to be, she's learning the ins and outs of a good fashion sense, and she's

dating Drew, one of the hottest guys in all of Manhattan. As she becomes the "New York Casey," though, she feels like she's losing herself. Then there is Madison MacAllister, the reigning queen of the Upper East Side, who just so happens to believe that Casey stole Drew from her. Even though Madison and Drew weren't officially dating, Madison was majorly crushing on him, and still can't believe that a Midwestern freak like Casey could steal him away from her. Determined to get Drew back, Madison all but wages a silent war on Casey in order to exact her revenge. Will the Queen Bee get what she wants, or will the new girl suddenly find herself a lot more powerful than she ever thought possible? These books are splendid! *IN TOO DEEP* picks up right where *THE ELITE* left off, not missing a beat. All the gossip and drama that occurs in *Gossip Girl* is present in these books, except these girls actually have moral standards. All of the characters in the book were excellently developed. Each had their own unique story and personality. I really love how Jennifer Banash had two supporting characters who each had their own thing going on. They were separate from Madison and Casey and really had their own lives, dealing with their own problems. What's also really great about the characters is that even though they are spoiled socialites, any girl could easily relate to them. Even Madison, who appears to be untouchable, has many insecurities that are present in your everyday teenage girl. The pages were definitely drama-filled, and I found it hard to tear myself away from the book, eagerly anticipating what would happen next. There were many twists and turns that I would never have been able to guess, and I found many of the plot aspects to be really creative. Jennifer Banash has definitely created a great sequel to *THE ELITE*, and while she answered many questions from the first book, she has created even more in this one. All the better, though, as it promises a great third book in the series, *SIMPLY IRRESISTIBLE*, which hits shelves in Summer 2009. In the meantime, go out and enjoy yourself as you read this deliciously guilty book! Reviewed by: Tasha

**Kurzbeschreibung** If you don't belong here- you just don't belong... The Bramford building's newest resident and small-town transplant Casey McCloy is adapting to life in the Big Apple and loving it. She's got the look, the attitude, and a delish new boyfriend, Drew Van Allen. But she's starting to have second thoughts as to whether the "New York" Casey is the real Casey. And she's not so sure she likes herself much anymore. She's not the only one. Madison Macallister has always had her Manolo Blahniks firmly planted on the top rung of the social ladder-until that corn-fed cow Casey stole Drew away from her and made her look the fool. So what if Madison wasn't exactly dating Drew at the time? She wanted him. And everyone knows that Madison gets what she wants, like Drew-and a little revenge. **Pressestimmen** "The Elite is Pretty in Pink for the millennium generation." -Romance s Today "Banash is destined for great things." -Scott Bradfield, author "In Too Deep is a seductive read." -Innovative: A Word for the WriTeen Blog "Fans of the drama, romance, gossip, and privileged lifestyle depicted in *Gossip Girl* and *Blue Bloods* will be drawn to *In Too Deep*... *In Too Deep* continues to showcase the glitzy and glamorous lifestyle of New York City's privileged teens...Banash's Elite series continues to rock above the rest." -The Compulsive Reader Blog "As you know, life in the posh and drama-filled Upper East Side is never easy!
