Von John Weaver : Individual Travel Protective Measures (ITPM): And Other Helpful Hints for International Work Excursions (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Individual Travel Protective Measures (ITPM): And Other Helpful Hints for International Work Excursions (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Easy to follow instructionsVon Andreas B aus SAs someone who is also working and travelling a lot in different countries in the world and being trained very well I was suprised how much new instruction I got. "Instruction" because the book will tell you exactly what to do to prevent yourself from a lot of ugly situations. To be best prepared for every situation you will need the experiance of someone like the author, but this book will tell you a lot of the basics in a few hours. Many of the tactics are working fine in different enviroments: What might protect yourself from just being robbed in your hotel room in Europe can save your live in a hotel in the Middle East.

KurzbeschreibungIf you travel or work overseas and are interested in learning how to enhance your personal security, then this book is for you. Individual Travel Protective Measures and Other Helpful Hints focuses on passive measures that have been proven over the years. This book will provide instruction to the reader on how to become a hard target and how to better blend into the cultural environment in which he or she might find him or herself. It logically walks the reader through the planning phase to and including the execution of the readers travel abroad.KurzbeschreibungIf you travel or work overseas and are interested in learning how to enhance your personal security, then this book is for you.
