Von Young : Initiation (A Harem Boy's Saga Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Initiation (A Harem Boy's Saga Book 1) (English Edition):

Kurzbeschreibung This provocative story is about an adolescent who was initiated into a clandestine sexual society. He was spirited to the Middle East, from his UK boarding school. He attended the Bahriji School (Oasis,) in The United Arab Emirates in preparation for serving in Harems for the wealthy and elite. It is also a love story between the young man and his Valet who served as his chaperone and mentor during the boys Harem service. Authors note: I had a privileged and unique upbringing in Malaysia. Following in my brothers' footsteps, I was sent to an exclusive boarding school in England. It is there that I was inducted into a clandestine organization, E.R.O.S. The Enlightened Royal Oracle Society. For four years, unbeknownst to my family, I was willingly and happily part of a Harem. My story has been kept under wraps for close to 45 years. The correct moment has arrived for me to make known my unique education. young@aharemboysaga.com www.aharemboysaga.com
