**Von Neil D. Isaacs : Innocence Wonder: Baseball through the Eyes of Batboys (English Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Innocence Wonder: Baseball through the Eyes of Batboys (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Very redundant-too many batboys with the same theme Von Ein Kunde When I bought this book I had very high expectations because I read another "batboy book" that was excellent. This book was interesting but it really had great possibilities if it had gone into more depth instead of what kind of tipsters the players were (naming the players). Many batboys gave 2 page summaries - I think that it tried to cover too much ground (no pun intended). This book was very shallow. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Innocence and Wonder Von Ein Kunde This is my

grandpa's book, whatever the kind, he's the best.

Kurzbeschreibung Giving new meaning to the phrase "inside baseball," this oral history takes us inside major league dugouts and clubhouses to open doors and eyes to the closed world of the game. Based on more than 200 interviews with the men who, over more than six decades, wore the uniform with the word "batboy" on it, these first-hand memories reveal the private faces of storied heroes from Ty Cobb and Joe DiMaggio to George Brett and Barry Bonds, from less than noble Hall of Famers to esteemed utility infielders. As a whole, they provide a portrait of the values and unwritten code that structure and contain a unique American sub-culture.

Kurzbeschreibung Giving new meaning to the phrase "inside baseball," this oral history takes us inside major league dugouts and clubhouses to open doors and eyes to the closed world of the game. Based on more than 200 interviews with the men who, over more than six decades, wore the uniform with the word "batboy" on it, these first-hand memories reveal the private faces of storied heroes from Ty Cobb and Joe DiMaggio to George Brett and Barry Bonds, from less than noble Hall of Famers to esteemed utility infielders. As a whole, they provide a portrait of the values and unwritten code that structure and contain a unique American sub-culture.

Synopsis Bat boys from the 1920s to 1980s share their impressions of the players and managers, and describe what it was like to work for a major league team.
