Good tours Von Kai This book gives good essential information for a nice trip to Glasgow. There are some small background info tidbits that makes viewing the sights more interesting. Some sites mentioned in the book are not depicted in the maps, though; and I would have appreciated the addresses, at least for some places (houses) that do have addresses. "Not bad" is said to mean "quite good" in Scotland, so the "Nicht schlecht" rating should suit the book well. :)
