## Inspecting the Aging Sailboat

Know what to look for in the boat you own or would like to buy:

- ✓ Distinguish cosmetic from structural damage
- ✓ Understand which faults can be remedied and which can't
- ✓ Judge the condition of what you can't see from what you can
- ✓ Know when a boat's just used, and when it's used up

**Von Don Casey : Inspecting the Aging Sailboat (The International Marine Sailboat Library)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Inspecting the Aging Sailboat (The International Marine Sailboat Library):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Unstanding what you're looking atVon Brad ShinnI used this book in combination with another to really understand the boat systems and make an informed judgement. Are those cracks in the gelcoat serious? How do I know if the tiller attachment is a weak design? Casey helps you understand how to make a judgement about critical components from a novice/lay point of view. I found the book a very good resource.0 von 0 Kunden fanden die folgende Rezension hilfreich. Clear, concise, and well illustratedVon Bill McMahonWhile not as detailed as a textbook might be, it covers

general points across very well.

Kurzbeschreibung". . . the perfect place to begin, or continue, your education."--Sailing Whether you are shopping for a used fiberglass boat or prioritizing maintenance tasks on the one you already own, this book saves money--and perhaps even disaster. With clear step-by-step drawings and instructions, Don Casey explains how to recognize problems--both surface and hidden--and how to separate cosmetic flaws from serious faults.Pressestimmen..". the perfect place to begin, or continue, your education."Kurzb Beschreibung". . . the perfect place to begin, or continue, your education."--Sailing Whether you are shopping for a used fiberglass boat or prioritizing maintenance tasks on the one you already own, this book saves money--and perhaps even disaster.
