KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Insgesamt angenehmer Lernstoff. Aber Vorsicht: häufig Schreibfehler! Von VerschuilGute Einführung in die ThaiIndische Sprache. AberEs ist weniger geeignet als Reisesprachführer. Die Gliederung ist eher auf das Lernen ausgerichtet als auf schnelles Aufsuchen.Und es enthält erstaunlich viele Schreibfehler (Thai) und Tonzeichenfehler. Es macht zwar ab und zu Spaß die zu entdecken aber für die ersten Schritten sind die verwirrend.

KurzbeschreibungIt's amazing how 100 key words and phrases provide instant communication! Do you want to speak simple Thai but are too busy to study it? Are you visiting Thailand for a short time and want a Thai phrase book to help you communicate? If so, this Thai phrasebook is for you! It's the easiest and quickest way to learn Thai. It's tiny 0.4 x 4.1 x 5.9 inches size makes it incredibly convenient to travel with but without losing the most essential content for communication. The idea of Instant Thai is simple: learn 100 words and phrases and say 1,000 things. The trick is knowing which 100 words to learn, but the authors Stuart Robson and Prateep Changchit have solved the problem, choosing only those words you'll hear again and again. Even with a vocabulary this small, you'll be surprised how quickly and fluently you too can communicate in the Thai language. It also has an English-Thai dictionary, arranged alphabetically. At the end of the book are useful appendices for telling the time, kinship terms, some Thai proverbs, and emergency expressions. Here's a sample of what you'll be able to do with this Thai phrasebook: Meet people. Go shopping. Ask directions. Ride the subway. Order food and drinks. And much more. About this new edition: Instant Thai is now updated with 10% more content and fun manga-style illustrations and comics! Pressestimmen-This is a great book for beginners of the Thai language. You'll learn lots of valuable phrases in a way that can help you put them together in many different ways to get your thoughts across in a way that Thai people can understand. When learning Thai, the VERY first thing you should do is learn how to read. This is absolutely essential. Once you can read the Thai script, you'll always know how to say the words properly. You should then download Anki so you can throw all the phrases in there and use the flashcards to help you memorize what's in this book. - #8212 Goodreads-The Instant series from Tuttle, however, is not your usual phrasebook. Rather than focusing on phrases to help you order food, go to the hospital, rent a hotel room, or buy a train ticket, it provides you with more than 100 key words and phrases to help you express more than 1,000 unique ideas based on general conversation topics. - --EuroLinguiste" This is a great book for beginners of the Thai language.
