KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. Solid action author!Von Ein KundeI have read all of Mr. Martin's books and I highly endorse "Into The Primitive". Detailed

and well researched. "Trapper's Bible" is another book by Martin that is excellent. 0 von 1 Kunden fanden die folgende Rezension hilfreich. Top notch! A cut above the rest! Von Ein Kunde A top notch first rate book on survival. Not the same old stuff, but gives information on many items not seen in any other similar books. Well researched and well done!

Includes explicit drawings and complete info on snares, shelter, cooking equipment and more. Get an edge on survival - get Into the Primitive. **Synopsis** Whether you're in the wilderness by a disabled car or downed aeroplane, enjoy trips into the open country or are on the run, you can learn to meet basic survival needs (food, water, fire, shelter) and improvise amenities. This innovative book describes ingenious contraptions made from scrounged materials and primitive weapons, traps and alarms designed to slow down an aggressor.
