KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. The best book on touring Ireland by bikeVon Ein KundeI bought a number of books before a recent bicycle trip to Ireland to

help me plan routes and I found that this book was the most useful. It is very well laid out and enjoyable to read. If I did the trip again, this is the book I would rely on. I recommend it highly.

Kurzbeschreibung Two-, three-, and four-week cycling vacations for the adventurous traveler to Ireland, including several new tours covering attractions, amenities, pubs bike shops. You'll be cycling through 40 shades of green in no time with this guide written especially for visiting cyclists. Completely revised and updated, this is the best resource for exploring Ireland on two wheels. Routes from 12 to 61 miles in length can be done as day trips or linked into long tours. Trips reach into all corners of Ireland, from Cork and Limerick to Donegal and Dublin. Includes sections on trip planning, outfitting a bike, getting there, what to see and do, finding accommodations, road customs, history, and more.
