Good guide for a long weekend trip but missing detailed informationVon Frau RuckThis is a great guide to use for along weekend trip containing the schedules with the top sights for each day. However, the background information for each attraction is very, very topline. Used it to build out our schedules together with some insiders from friends and researched more in-depth information online. As this is a free guide this, don't want to be hypercritical.0 von 0 Kunden fanden die folgende Rezension hilfreich.
