KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. Nothing really thrilling but a nice travel guide.Von Florian GscheidlingerPerfect for people who have never been to Malta but

want to go there. The author describes the country quite well.

KurzbeschreibungMalta is a feast to the eye and a tug on the heart. Pastel colored rocks, dry stone walls, little farms of greenery, cute little inlets with multicolored fishing boats, delightful baroque architecture, magnificent church domes, a perfect climate, a leisurely pace of life, charming people, all embraced by a warm blue Mediterranean. It has become my color postcard, but now I must share it with two million other visitors who come each year, lucky like me, to have discovered this little Heaven. "Paddy Cummins has created a gripping and emotional book that captivates at every turn of the page. Endlessly fascinating, tensely absorbing, with humorous anecdotes. This is classic travel writing - a brilliant read." Michael K Hayes. Renowned Travel Writer. BBC Radio Presenter. KurzbeschreibungMalta is a feast to the eye and a tug on the heart.
