You will Cry and Laugh reading Gilda's beutifull BookVon Bob WaskiewiczI've always been a fan of Gilda Radner.She was the greatest new comedian to come from the 70's.Just to look at her face doing skits on S.N.L. had me laughing out

loud. I was so happy when it seemed Gilda was winning the battle over cancer. When she appeared on Gary Shandling's show, and made jokes about it. She looked fantastic. They even had a special lunch for Gilda, thinking she was cancer free, but she knew it was back again. Gilda still didn't give up. There's a part in the book when Gilda was walking down the street, and a car splashes muddy water on her. She starts yelling something about being "Cancer Women." It's the funniest part of the book. Gilda also writes about her childhood, and the S.N.L. days, and her life with Gene Wilder. This book is very helpful for anyone who has Cancer, and what to do if cancer runs in your family like it did in Gilda's. If only she knew, everything would have been different, but Gilda and her family have saved so many lives through Gilda's place. This is a beautiful book, and it's not sad. Gilda's last gift to the World. 0 von 0 Kunden fanden die folgende Rezension hilfreich. I recommend this book Von Ein Kunde I read this book without knowing why--five years before my wife developed ovarian cancer. If you know someone who has the disease or would like to know about its effects and treatments (most of them haven't changed much), I highly recommend this book. If you want to read about a love affair that lives beyond the limitations of illness and death, I recommend this book. If you just want to read about someone who lived and died with courage and dignity, I recommend this book. And if you want to deepen your faith in the strength and courage of the human spirit, I recommend this book. I'm glad I read it before my wife and I followed an almost identical path until she died in January of 1998. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Kurzbeschreibung To honor the twentieth anniversary of beloved comedienne Gilda Radner's death from ovarian cancer comes a commemorative edition of her memoir, *It's Always Something* featuring a newly updated resource guide for people living with cancer and a tribute by Radner's former colleagues at Saturday Night Live. As a cast member on the original Saturday Night Live, Gilda Radner created a compelling character named Roseann Rosannadanna who habitually ended her routine with the line, *It's always something*, which was her father's favorite expression about life. Radner chose the catchphrase she made famous as the title to her brave, funny, and painfully honest memoir: the story of her struggle against cancer and her determination to continue laughing. Gilda's Club, a network of affiliate clubhouses that seeks to provide a social and emotional support community to people living with cancer, was founded in Radner's memory in 1991. The name of the organization comes from a remark Gilda once made, that cancer gave her membership to an elite club she rather not belong to. In partnership with Gilda's Club, *It's Always Something* includes valuable information for all whose lives have been touched by cancer and reminds us of the important place laughter has in healing. Told as only Gilda Radner could tell it, *It's Always Something* is the inspiring story of a courageous, funny woman fighting to enjoy life no matter what the circumstances. She died in 1989. Gilda's Club is distinguished by its unique philosophy and program, cancer support for the whole family, the whole time. Learn more about Gilda's Club at GildasClub.org. Pressestimmen "Extraordinarily candid...A testament to her courage and comedic spirit." -- Chicago Tribune "Death be not proud: the book remains a victorious volume." -- Detroit Free Press "Touching and witty." -- USA Today "Gilda mined her humor from everyday life, and what resulted really was something." -- The San Diego Union-Tribune Kurzbeschreibung To honor the twentieth anniversary of beloved comedienne Gilda Radner's death from ovarian cancer comes a commemorative edition of her memoir, *It's Always Something* featuring a newly updated resource guide for people living with cancer and a tribute by Radner's former colleagues at Saturday Night Live.
