It won't hurt a bitVon BlmchenDas war mal wieder ein Lesespas: humorvoll, witzig geschrieben und mit Blick auf Details. Die Situationskomik zusammen mit den englischen Formulierungen haben mich immer wieder zum Lachen gebracht. Eine deutsche Version htte ich allerdings nicht lesen wollen.0 von 0 Kunden fanden die folgende Rezension hilfreich.

OK for a quick read

characters in the book could be made a bit more interesting but on the whole an easy readable if forgettable piece of writing.

Kurzbeschreibung
When Jane Yeadon decided that she wanted to become a nurse, the Swinging Sixties had arrived in style. But before her training the nearest she got to anything swinging was the udder of the cow on their farm in the north-east of Scotland. It was time to leave for the bright lights and some modern life. *It Won't Hurt a Bit* is the story of Jane's journey from the farm she loved and the schoolwork she hated through to her nurse training and the many adventures along the way. It's a warm, funny and affectionate memoir from a simpler time as Jane and her new friends tackle the ups and downs of a gruelling three-year training, some scary matrons and a variety of challenging patients and their relatives. All to the backdrop of the fabulous Swinging Sixties.
