Self-Made-Charme -- fuer Fans Von Raimund Steger Im Vergleich zu den etwas polierteren Vertretern der Tokioter Street-Style-Bildbaende kommt dieses Exemplar mit roughen und unbearbeitet anmutenden Fotografien daher, die zudem zum Teil wie mit einem besseren Mobiltelefon aufgenommen wirken. Haeufig tauchen entsaettigte, defokussierte Aufnahmen oder solche mit ueberhoeheter Schaerfentiefe auf. Was solls -- es sind interessante Bilder dabei, die den

Band zu einer guten Ergänzung fuer die persoenliche J-Style-Sammlung machen. Und letztenendes bekommt man fast das Gefuehl, als dass man selbst dabei gewesen sein und die Fotos mit der eigenen Nokia-Gurke gemacht haben haette koennen..

SynopsisThis work talks about the far-out concert costumes from Japan's music-loving teens. Japanese rock bands are gaining international attention, but local fans have followed their favourite bands for years. Girls dress up in unique fashion styles when they attend J-Rock concerts, making the audience almost as much of an event as the music. Their outfits express their individual feelings and convey the excitement of the music they love. This book is a visual collection showing some of the hot and absurd groupie fashions created by fans of today's most popular J-Rock bands.
