**Von James Spada : Jackie: Her Life in Pictures** before purchasing it in order to gage whether or not it would be worth my time, and all praised Jackie: Her Life in Pictures:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Delightful!Von Ein KundeThis book contains many familiar images, but also many more you may never have seen before. I especially enjoyed the photos that show Jackie appearing less guarded than usual (the one of the First Lady skeptically being hugged by a Prime Minister is terrific). As the book goes on and Jackie matures, there are fewer and fewer of these unguarded pix ... once she became Jackie O, it seems the famous smile was frozen in place. Still, I enjoyed this book and recommend it to anyone who remembers her fondly.0 von 0 Kunden fanden die folgende Rezension hilfreich. Delightful!Von BusybeardA quick read, I loved spending every available stolen moment with this book. I was captured by the wonderful photos, most of them I've never seen before. You get a good glimpse of Jackie's range of emotions. A good book to leave out, with the hope others may delight and reflect on her beauty and courage.0 von 0 Kunden fanden die folgende Rezension hilfreich. Jackie, Her Life in PicturesVon Patricia IbbotsonIn addition to containing many never-before-published photos of one of the most famous women of our times, this book has some

very interesting biographical information (extended captions) about Jacqueline Bouvier Kennedy Onassis. Anyone interested in Jackie and her remarkable life will love this book.

Kurzbeschreibung A legendary life shown in rare, mostly never before published photographs. Arguably the most famous woman of the twentieth century, certainly one of its most photographed, Jacqueline Bouvier Kennedy Onassis lived an astonishing life; her popularity and the fascination she held for people the world over during her nearly sixty years in the spotlight can hardly be overestimated. And while that has led to a number of books about her, none has told her life story in the way this one does--entirely in photographs, from birth to death, with lively, anecdotal extended captions. Of the 251 photographs in *Jackie: Her Life in Pictures*, 165 have never been published, 58 have rarely been published (in newspapers or magazines but never in book form), and 28 are inescapable images that have been seared into the memories of everyone. Together with the text by James Spada that runs alongside them, these pictures tell the story of an American life that became legendary even while it was being lived, a story that will speak afresh to the hearts of all Americans. *Pressestimmen* "Ranging from a Christmas portrait of baby Jackie in her mother's arms to her iconic roles as First Lady, shipping tycoon's wife and working woman, and culminating with a heart-stopping image of John Jr. and Caroline beside their mother's casket, these 251 black and white photos (many never published before) capture her well-lived, much-photographed life in adoring detail"--*Publishers Weekly*
