Giving is an important part in one's life.Von Ein KundeMax Lucado's "Jacob's Gift" was the best book I've read in a long time! It shows how a young boy gave his project to the couple who needed it. It's not just for children!Von Ein KundeJacob's gift is a story that one will not easily forget. It sheds new light on the gift-giving tradition, and causes one to realize that it really is the thought that counts. God obviously put considerable thought into the precious gift given to us: the Christ Child.

Kurzbeschreibung Jacob is a young boy with a gift for carpentry who is busy finishing up a project for a contest. His teacher, Rabbi Simeon, not only instructs him in carpentry, but also teaches him important lessons about God. Rabbi has just taught Jacob that when you give a gift to one of God's children, it's like giving a gift to God. The night before the contest while working on his project, Jacob has fallen asleep in the workshop and is awakened by a bright light. The light is a star which is directly over Jacob's father's stable. As he approaches the stable, he sees a man, a woman, and a newborn baby which is laying in the straw. Remembering what Rabbi Simeon had told him, Jacob returns to the workshop and takes his project (a feeding trough) to the new family. The morning of the contest, the Rabbi pleased to find out that Jacob has acted upon the lesson he learned and has truly given a gift to God.
