Von Lucy Maud Montgomery : Jane of Lantern Hill (Annotated) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Jane of Lantern Hill (Annotated) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Lovely fairytaleVon MadieJane lives in Toronto with her mother and her grandmother. In her grandmothers eyes Jane is awkward and simply not "right". She feels like she don't belong there. After so many years thinking her dad is dead,

she finds out that he is alive and that he wants to see her in summer. First of all she is not able to think that she would like P. E. Island or even her dad, but of course this is not how it turns out. She constantly fell in love with this beautiful place and her loving, caring dad and the nice people around there and finally she is able to call this place her home. But what about her mother in Toronto? How can she live on with a life parted in the summers in P. E. Island and the winters in Toronto? This book is full of charming and beautiful descriptions of the island. Jane is a little girl you can relate to, because she is just so lovable. But she is not just nice, she is as well a bit sassy and cheeky and she grows a lot throughout the story. A little heroine bravely facing her challenges - doing the household for her father and finding a new home to give to examples. Jane is not just a dreamer, she is a maker. She's cooking, planting her garden, makes her house a lovely place - for us girls having the favour of growing up in the 21st century this seems old fashioned and not really feminist, but of course this book was written in a different time. And it just sounds so charming how Jane likes to do those things! The author finds such beautiful words to describe her joy of cleaning, cooking and planting it makes fun to read it, even if you are a feminist. Jane's character development is great, she slowly grows to her true self. And this is what makes her average. She's just a normal girl, nothing special, but she could make her life a better one and herself a stronger girl than before. If she could, we can do, too. After all, it does not take much to make a child happy." p. 51

The writing of L. M. Montgomery is very beautiful. A dreamy story and a lovely and sweet book, the feel good kind of a book that leave you in a good mood. Of course it's a children's book, so you shouldn't expect exciting page turners, but if you love silent stories with a lot between-the-lines then you will enjoy this book! A lovely fairytale story about a little girl finding the home of her dreams. A story about friendship and family, dreams and plans and as well more sad things like divorce and rejection. A silent story about a girl finding her way and growing up.

Von Callisto Die dreizehnjährige Jane Victoria Stuart, lebt mit ihrer Mutter, Tante und Gromutter in einem alten, dsteren, riesigen Haus in Toronto. Ihre Gromutter ist eine herrische Person, die den ganzen Haushalt unter ihrem Daumen hat und Jane deutlich zu spren gibt, dass sie sie als Eindringling betrachtet. Sie tut alles, um Jane und ihre Mutter von einander fern zu halten und Jane das Leben zur Hlle zu machen und das nur, weil Jane's Mutter, gegen den Willen von Gromutter Kennedy heiratete. Durch diese permanente Zurck- und Zurechtweisung verunsichert, die durch die herablassende Behandlung durch ihren Tanten, Onkel und Cousinen noch verschlimmert wird, ist Jane linkisch unsicher und verschchtert. Doch dies ndert sich an dem Tag, als Jane ihren totgeglaubten Vater kennenlernt, der sie fr 3 Monate nach Prince Edward Island einldt. Jane erlebt, was Freiheit ist, wie es ist Verantwortung bernehmen zu drfen und ernst genommen zu werden. Sie beginnt, herauszufinden, wer sie wirklich ist und will herausfinden, warum sich ihre Eltern getrennt haben. Dieses, ob seiner Themen, immer noch so modern wirkende Jugendbuch erschien bereits 1937 und wurde, wie viele andere Bcher von LM Montgomery, nie ins Deutsche bersetzt. Es ist mittlerweile public domain und kann beim australischen Gutenbergprojekt heruntergeladen werden. Dieses Buch ist das, was man heute unter dem Namen All-Age Literatur zusammenfasst. Es beschreibt durch die Augen des Scheidungskindes Jane, wie eine sich permanent in alles einmischende Verwandtschaft gut funktionierende Beziehungen auseinanderbringen kann und Paare unglcklich macht. Es beschreibt, wie Kinder sich fhlen, wenn man sie permanent kontrolliert und in ihrer persnlichen Freiheit einschrnkt und wie sie sich pltzlich entwickeln, wenn man ihnen Verantwortung bertrgt und sie ernst nimmt. Dieses Buch msste man allen heutigen bermttern als Zwangslektre verordnen. Die Geschichte an sich ist eher unspektakulr. 2 Jahre im Leben von Jane Victoria, mit Schulerlebnissen und 2 lustigen, Indlichen Aufhalten auf PE Island. Einerseits einfach nur wunderbar herzerwrmend, andererseits eben durch die kindliche, sehr gut nachvollziehbare Sichtweise sehr eindringlich und direkt. Fazit: Ein All-Age Klassiker ber die Gefhlswelt von berbehteten Trennungskindern und warum Tochter einen Vater brauchen.

Von G. Aleksandra Wie immer-ein schnes Buch von L.M. Montgomery. Alle die Anne, Emily, Pat oder Marigold lieben, schliessen Jane ganz schnell in ihr Herz. Ein typisches Buch der Autorin. Aber gerade dafr lieben ihre Fans sie!

Kurzbeschreibung *This Book is annotated (it contains a detailed biography of the author). *An active Table of Contents has been added by the publisher for a better customer experience. *This book has been checked and corrected for spelling errors. Jane of Lantern Hill is a novel by Canadian author L. M. Montgomery. The book was adapted into a 1990 telefilm, Lantern Hill, by Sullivan Films, the producer of the highly popular Anne of Green Gables television miniseries and the television series Road to Avonlea. Jane Victoria Stuart, called Victoria by her family, lives in Toronto, Ontario, with her mother, grandmother, and aunt. Her grandmother is very strict and is jealous of anything that her daughter Robin (Jane's mother) loves. Jane does not like having to live with her grandmother and wishes she and her mother could escape, though she knows her mother will never have enough backbone to stand up to her grandmother and leave. Jane believes her father to be dead, but is eventually told he is alive and living far away on Prince Edward Island, her birthplace. Jane's only friend is Josephine Turner, Jody for short, an orphan who lives and works as a servant at the boardinghouse next door. Jane also likes to cook, but her grandmother will not allow her

to practice. One day, a letter from her estranged father arrives, asking that Jane stay with him for the summer on the Island. Jane is very reluctant about going, but one of her uncles says that it would be best if she went. Upon arriving at the island, Jane meets her Aunt Irene (her father's sister) and takes an instant dislike to her. The next morning, she meets her father for the first time and loves him from the start. The two buy a little house on Lantern Hill and Jane takes on the role of housekeeper. Jane soon becomes friends with all the neighbors, such as the Snowbeam family and the Jimmy Johns (so named to distinguish them from a James Garland and a John Garland who also live on the Island). Jane also gains self-possession and, upon her return to Toronto, is much less affected by her sour, disapproving grandmother. *Pressestimmen* Genuinely delightful (Independent on Sunday) *Werbetext* From the author of *Anne of Green Gables*, this is the enchanting story of a young girl's dream to reunite her long-divided family
