Fantastisch fr EnglischknnerVon anerevaneIch habe Japanese HIRAGANA KATAKANA for Beginners bereits in Japan gekauft, weil ich whrend meiner Reise dorthin gemerkt habe, dass ich sehr gerne Japanisch lernen mchte - dieses Buch bietet den perfekten Einstieg! Die Hiragana und Katakana knnen sehr gut behalten werden, ich nutze zum Wiederholen noch einige Apps fr mein Smartphone. Zum Schreiben-Lernen und als Gedchtnissttze ist dieses Buch wirklich Gold wert! Weiterhin ist die Methode, Bilder als Erinnerungssttze zu nutzen, super geeignet, um spter auch die (noch komplexeren) Kanji zu lernen. Absolute Kaufempfehlung!

KurzbeschreibungThe method that's helped thousands in the U.S. and Japan learn Japanese successfully. The Japanese language has two basic writing systems, hiragana and katakana, in addition to the one that uses Chinese characters or Kanji. This handy book teaches you a new mnemonicsbased method to read and write the basic 92 hiragana and katakana characters. Along with its sister book: Japanese Kanji for Beginners it provides a complete introduction to written Japanese. Memorable picture mnemonics help you to learn the characters by associating their shapes and sounds with combinations of images and English words already familiar to you. Clear examples and entertaining exercises offer opportunities to read, write, use and practice all 46 basic hiragana and 46 basic katakana characters, plus the remaining kana that stand for more complex sounds. Polish your knowledge with word searches, crossword puzzles, fillintheblanks, timed recognition quizzes, and other interesting activities. The downloadable audio allows you to print out your own flash cards (featuring the same mnemonic images taught in the book) to help you review and practice, even while you're on the go.Pressestimmen-As a whole I find this book to be a useful tool to learning the characters of both writing systems.
