I got a kick out of having it on my desk...Von Ein KundeThe Pad is a nice little reminder to work each day on leaning Kanji, which works as well as the effort you put in each day. I found it fun and occasionally a conversation piece having it on my desk at work !! A novel, and useful, gift for someone beginning to learn Japanese.1 von 2 Kunden fanden die folgende Rezension hilfreich. An excellent idea whose time has come.Von Ein KundeMr. Keirstead's Kanji-A-Day Practice Pad serves as a constant reminder that ANY task can be accomplished if you tackle it one step at a time, one day at a time. Well sure enough, by studying just ONE kanji character a day, after a year, I could pick up a standard Japanese novel and understand at least 70% of the novel with little or no difficulty. If you are new to Japanese, I
