Von James Michener : Japanese Prints Michener before purchasing it in order to gage whether or not it would be worth my time, and all praised Japanese Prints Michener:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.
Druckqualitt miserabelVon BeateInhaltlich sehr interessant, wie erwartet, ABER: ein miserabler Nachdruck mit Bildern die auf dem Kopf stehen und leeren Seiten dazwischen. Das kann ich im Kopiershop selber besser!!! Und dafr 40 EUR bezahlt ...

Kurzbeschreibung Featuring hundreds of illustrations, *Japanese Prints: From Early Masters to the Modern* is a comprehensive history and survey of Japan's most famous visual art form. The author, Mr. Michener has illustrated the book with lesser-known masterpieces rather than with those few prints that have been reproduced almost ad nauseam. Unlike earlier books, this does not stop with the past century, but brings the subject completely up to date, introducing, in the modern Japanese print, some of the most exciting art being created in Japan and in the world today. *Japanese Prints* also becomes a revealing account of the collecting of Japanese prints, with many valuable hints to collectors based upon the author's own experiences in gathering together one of the best print collections of recent years: it is a collecting field in which many hints are needed, with prices varying from \$5 to \$5,000 per print, and with forgeries and doubtful attributions on every hand.
