Von John Oller : Jean Arthur: The Actress Nobody Knew before purchasing it in order to gage whether or not it would be worth my time, and all praised Jean Arthur: The Actress Nobody Knew:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. the actress we still don't knowVon mindlugelet me start off by saying that Jean Arthur is still my favorite actress of all time, but after reading this book i was very disappointed with her. like many actors/actresses she seemed to respect theater more than film, even though for the most part she was much more successful artistically in film. i wish she could have received the mental health support she needed to be able to better face her career. i am infinitely thankful

for her films, but am greatly saddened that she retired so early. she never fell from grace or had a series of flops, she just dropped out, retired early. in reading this biography you feel that she kept the world out, so although this book gives us a glance, it is but a stolen glance, as Jean Arthur walks away from us.0 von 0 Kunden fanden die folgende Rezension hilfreich. Princess or Goblin?Von Draculinal applaud Mr. Oller for all that research and the assuinity with which he conducted, tracking down all those friends and neighbors, and laying to rest all the rumors for all time. I still don't feel, however, that I know what was Jean Arthur's problem nor why people put up with her shenanigans as long as they did. I hope the sitcom "The Jean Arthur Show" goes into re-runs soon, Mr. Oller makes it sound like a cult classic. His book is thoughtfully written and immensely readable, but very very sad and depressing. I don't think I'll ever watch Jean Arthur again in any of her movies in quite the same way.0 von 0 Kunden fanden die folgende Rezension hilfreich. A sympathetic biography!!On Paperback!!!Von Ein KundeAsolution to the mystery is provided by...John Oller"s objective,well-documented study of Arthur. The enigmatic performer, who was purposely vague about her origins,must have posed quite a challenge for her biographer.A sympathetic biography!!

Kurzbeschreibung(Limelight). The luminous star of Mr. Smith Goes to Washington , Shane , and other classic films was, as the subtitle aptly puts it, "the actress nobody knew." Jean Arthur (1900-91) kept her personal life private, disdained the Hollywood publicity machine, and was called "difficult" because of her perfectionism and remoteness from costars on the movie set. John Oller, a lawyer, tracked down kinsfolk and friends never before interviewed to capture the elusive personality of a free spirit best embodied in her favorite role, Peter Pan. Arthur herself might have appreciated his warm, respectful portrait..deThe luminous star of Mr. Smith Goes to Washington, Shane, and other classic films was, as the subtitle aptly puts it, "the actress nobody knew."
