Von Friedrich Nietzsche : Jenseits von Gut und Bse (Beyond Good and Evil) [German English Bilingual Edition] before purchasing it in order to gage whether or not it would be worth my time, and all praised Jenseits von Gut und Bse (Beyond Good and Evil) [German English Bilingual Edition]:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. sehr gute PublikationVon Bruno HorisbergerDie gleichzeitige Gegenberstellung des ursprnglichen Textes in Deutsch mit der

sehr guten englischen bersetzung ist sehr wertvoll. Sehr zu empfehlen.

Kurzbeschreibung *Jenseits von Gut und Bse (Beyond Good and Evil)* is published in 1886, and is one of the first books where Friedrich Nietzsche attempts at exposing the major themes that make up his philosophy, such as the importance of morality in past philosophers works, a consideration of truth and morality, the concepts of good and bad, and a new philosophy that situates itself beyond good and evil. About the Author Friedrich Nietzsche (October 15, 1844 August 25, 1900) was a German philosopher who challenged the foundations of Christianity and traditional morality. His writings on truth, morality, language, aesthetics, cultural theory, history, nihilism, power, consciousness, and the meaning of existence have exerted an enormous influence on Western philosophy and intellectual history. He was interested in the enhancement of individual and cultural health, and believed in life, creativity, power, and the realities of the world we live in, rather than those situated in a world beyond. His philosophy was one of affirming life, questioning all modes of thought and action that are geared towards wasting life's expansive energies. Nietzsche's revitalizing philosophy has inspired leading figures in all walks of cultural life, including dancers, poets, novelists, painters, psychologists, philosophers, sociologists and social revolutionaries. About Project Bilingual Project Bilingual (A division of Wolf Pup Books) is a continuing project making available great original German writers' texts along with their English translation. This edition, which offers after every original language paragraph its translation, makes both grammar and vocabulary checks as painless as possible. Idiomatic forms that could be overlooked can be easily detected. Furthermore, large paragraphs have been broken down to much smaller units so that the check is as effortless as possible. We do hope that by reading German writers that defined the language itself or whose work permeated the German culture, you will be able to get the maximum benefit from this language series. Although this edition is not a replacement for traditional methods of learning language, it is a very powerful tool to speed up the process once you have attained the intermediate level and beyond. Wolf Pup Books A Bilingual Ebook Publishing Company
