Von Howard Thurman : Jesus and the Disinherited before purchasing it in order to gage whether or not it would be worth my time, and all praised Jesus and the Disinherited:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A great look at a follower of ChristVon Ein KundeThis book is a classic which deserves to be named that. It is one great look at the heart of a decent and kind man, who personally, I believe, saw the heart and mind of God, and wrote accordingly. In this book, we will not find the harsh and intolerant God of the conservative establishment, but the real and kind God of the New Testament. Here we find a Jesus who wants to talk to us, hug us and be our best friend. Yet,

this Jesus also wants to defend the poor and at-risk. This is a radical look at a radical man and, to me, savior, Jesus Christ.0 von 0 Kunden fanden die folgende Rezension hilfreich. a compassionate look at God's work in our livesVon jfinan@boone.netThis book was my first introduction to Howard Thurman but it won't be my last. This gentle yet passionate look at Jesus offers insight into God's and our own relationship with the poor as well as some profound pathways to understanding racism. The cover note on the back reads..."an important and influential book whose message helped shape the civil rights movement and changed our nation's history forever." All I know is that this book has changed my own personal history and I will read it again and again.0 von 0 Kunden fanden die folgende Rezension hilfreich. The thoughts from Thurman's books are great spritual energy.Von Ein KundeHoward Thurman, book regarding Jesus and the Disinherited, gave a spirtual informative opinion about the downtrodden condition of any race of people regardless of color. The true existence of Christ should be viewed only as a subject matter instead of an object.

KurzbeschreibungIn this classic theological treatise, the acclaimed theologian and religious leader Howard Thurman (1900-1981) demonstrates how the gospel may be read as a manual of resistance for the poor and disenfranchised. Jesus is a partner in the pain of the oppressed and the example of His life offers a solution to ending the descent into moral nihilism. Hatred does not empower--it decays. Only through self-love and love of one another can God's justice prevail.From the Trade Paperback edition.Pressestimmen[Jesus and the Disinherited] is the centerpiece of the Black prophet-mystics lifelong attempt to bring the harrowing beauty of the African-American experience into deep engagement with what he called the religion of Jesus. Ultimately his goal was to offer this humanizing combination as the basis for an emancipatory way of being, moving toward a fundamentally unchained life that is available to all the women and men everywhere who hunger and thirst for righteousness, especially those who stand with their backs against the wall.Vincent Harding, from the ForewordKurzbeschreibungIn this classic theological treatise, the acclaimed theologian and religious leader Howard Thurman (1900-1981) demonstrates how the gospel may be read as a manual of resistance for the poor and disenfranchised.
