Wundervoll und berhrend!Von Divinelight82Ich habe das Buch bereits vor 2 Jahren gekauft bin aber erst jetzt zum Lesen gekommen und htte mir gewnscht es schon viel eher getan zu haben. Das Buch wird Von "Miriam" erzht die in der Bibel ja auch vorkommt jedoch wird in diesem Buch hier alles etwas anders erzht und man denkt vom ersten Wort an das man "live" dabei ist. Ich habe das Buch in 2 Tagen durchgelesen da es wirklich berhrend war und ich wissen wollte wie es weitergeht. Ich kann das Buch nur jedem ans Herz legen der Sich fr das Leben von Jesus interessiert.

Am Ende steht geschrieben das Jersus am Kreuz nicht starb sondern berlebt hat und nach seiner "Auferstehung" weit weg weiterlebte um seine Lehren weiter zu verbreiten. Nun ja ich denke da hat jeder seinen eigenen Standpunkt aber ich knnte mir vorstellen das dies tatschlich der Wahrheit entspricht. Aufjedenfall ein wirklich wundervolles Buch das ans Herz geht.

Kurzbeschreibung Today the Heavens open up and solve the mysteries of the forgotten years of Jesus. His teachings, as never told before, arise in the dawn of a new age of light. Your heart will be inspired by his words of truth and love. You will learn about his mysteries and your life may change beyond your wildest dreams. Now we all are able to join the holy circle connected through His divine light. It is the time for the prophecies to become reality. Jesus The Book tells the life story of a girl named Miriam growing up in the Essene community in which Jesus was educated. There she meets Mary, the mother of Jesus, who tells the story of her sons birth, their time in Egypt and the mysteries of the white light. Years later she finds Jesus after his fast in the desert and follows him to Jerusalem. He invites her to follow him on most of his travels until the day he is crucified. At this time, Mary becomes like Miriams second mother and Mary Magdalene one of her closest friends. In her story, we relive the holy nights in Canaan where the teachings of Jesus come alive and can replenish our hearts. We dive deep into the mysteries of the light of Christ and start to remember what our destiny is. Here begins a new life, a life full of light, love and in unity with our origins.
