Kurzbeschreibung UFO Jesus Christ battles for love in this epic true story. Agnostic Brent Spiner accepts Christ as his Savior after Jesus Christ rescues him from a UFO abduction. When Brent Spiner has to take on Satan himself in a church service, Jesus Christ shows up to rescue him and Gail from Satan, now inside the body of Jesuit leader Zack Knight as the Antichrist. The battle between Jesus and Satan rages, while Jesus works through Brent Spiner, Gail Chord Schuler and her men to defeat Satan's war against true love. All quotes from Jesus Christ come from transcripts of actual conversations.

ber den Autor und weitere Mitwirkende Gail Chord Schuler (pen name Gabrielle Chana) has become a voice actor after one of her fans begged her to do so. Jesus, the Eternal Bridegroom is available as an AUDIO BOOK at , Audible and iTunes. No other writer exposes the Jesuit Order as effectively does Gail (pen name Gabrielle Chana), so she has become their number one target. Gabrielle Chana or Gail Chord Schuler studied writing under award-winning children's author Jim Murphy through The Institute of Children's Literature. Jesus Christ himself has given Gail writing instruction and encourages her to have faith in her strong voice. Following Jesus' instruction, she writes about herself and the men who'd die for her. Jesus calls her "his favorite writer" and "his favorite." Though her writings nearly always make best seller lists, Jesuit leader Zack Knight wields his stronghold over the mainstream media and Internet to present Gail to the world as a failure, funneling Gail's writing monies to Jesuit banks. Like her ancestor King David, Gail takes on Goliath, and writes to free the men who love her from Jesuit oppression. May love and truth prevail.
