**Von Don Everts : Jesus With Dirty Feet: A Down-to-Earth Look at Christianity for the Curious Skeptical** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Jesus With Dirty Feet: A Down-to-Earth Look at Christianity for the Curious Skeptical:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. An uncommon approach to a common topic.Von Ein KundeThe title says it all. This book is a down-to-earth, logical look at the life of Jesus. He was a real guy!! Its simplistic approach makes the truths about Jesus very clear. Many times people misunderstand who Jesus is and why he came. Since this book is written in a very easy-to-understand way, it is a great book for those who are curious and questioning their beliefs. It is great reading for Christians, also. It really made me think about Jesus in a different, more approachable way, and it also helped me realize that Christianity isn't about falling asleep in the back pew, it's about love and faith. I greatly recommend this book to any and all who want a unique and real perspective of who Jesus really is, and what Christianity is all about.0 von 0 Kunden fanden die folgende Rezension hilfreich. This book speaks truth about Jesus and Christianity.Von Ein KundeThis book tears at years of lies and myths concerning Jesus and his ministry. It magnifies the simplicity of Jesus' life and message. This book is a great introduction to Jesus for non-Christians and a refreshing read for believers. One can read this book in just a few hours, and the words are in a prose form making it an easy read. It is also really cheap, so there is really no excuse for people to not read this book. I promise that no one who reads this book will be disappointed and left without an opinion.

KurzbeschreibungMost folks think of Jesus as the man who started Christianity. But it turns out he wasn't just a man, and he didn't just start Christianity. Most folks think of Jesus as an other-worldly religious leader, a great moral teacher, or maybe they don't think of him at all. But he had dirty feet, partied, cooked breakfast and got himself killed. Who was this guy? Why did people hate him so much? And why should I care? Whether you've never looked closely at the Christian faith or you've dismissed it as irrelevant, you owe yourself a glance at a Jesus unencumbered by stereotypes. You might be surprised at what you see. KurzbeschreibungMost folks think of Jesus as the man who started Christianity. But it turns out he wasn't just a man, and he didn't just start Christianity.
