definitive book on Foxx on the market...a must read!!! Von Ein Kunde Mr. Millikin has done his homework on Mr. Foxx. This book is well researched and by far the most accurate book ever written on Mr. Foxx. Mr. Millikin goes to the extreme to inform the reader, not only on Foxx's baseball career, but on his entire life. Once you finish the book, you feel like you actually knew Mr. Foxx and appreciate his success on the diamond that much more. Thank you, Mr. Millikin for your hard work...your book is one I am proud to have on my bookshelf!!! 0 von 0 Kunden fanden die folgende Rezension hilfreich. The most definitive book on Jimmie Foxx that I know of!!! Von Ein Kunde Mr. Millikin must of spent a great deal of time researching on Mr. Foxx. I know of no other book written on Mr. Foxx to be more accurate and true. If you are interested in Mr. Foxx, this is the only book that I would recommend. Great job, Mr. Millikin and I look forward to your next book. 0 von 0 Kunden fanden die folgende Rezension hilfreich. The best book I've ever read Von Ein Kunde I love this book It is the greatest book I've ever seen

Kurzbeschreibung While major league baseball gained popularity in large American cities at the beginning of the twentieth century, it was still relatively unseen by small town inhabitants who could only read about it in the newspaper or catch an exhibition game as major league teams traveled through the United States. What was popular was "town baseball," fierce competitions between local teams to best the other in all aspects of baseball, particularly power hitting. It was from this environment that Jimmie Foxx, one of major league baseball's most talented players, began his journey toward the majors. Jimmie Foxx: The Pride of Sudlersville, is the story of one of baseball's most ferocious hitters. Growing up in small town Maryland, Jimmie seemed destined to play major-league baseball. By age 16 he was already playing professionally and wowing fans with his ability to smash homers. During his major-league career he appeared in three straight World Series, played for the Philadelphia Athletics and the Boston Red Sox, and spent the 1932 baseball season closely pursuing Babe Ruth's single-season home run record. The comparison to Babe Ruth has not been lost on many baseball scholars, but goes relatively unknown by the general public and many baseball fans. The most inclusive biography of Jimmie Foxx to date, Millikin's book provides a complete picture of his subject. Pressestimmen Before Mark McGwire, the strongest slugger of them all might have been Jimmie Foxx...features previously unpublished material based on interviews with the Foxx family.....
