Schwarzer HumorVon Kindle-KundeFr den extrem schwarzen Humor in den Geschichten um John Constantine mu man ein Faible haben.Die eigentliche Geschichte ist optisch und kreativ sehr gut umgesetzt. Nur als Warnung: Sie ist mitunter sehr blutig!Zur Geschichte: Mr. Constantine hat einen Autounfall, kommt ins Krankenhaus, genest, aber

zwischenzeitlich haben rzt ihm Blut abgenommen. Dieses ist immer noch verseucht von Nergals Dmonenblut. Die vorgenannten rzte versuchen sodann aus Menschen mit Hilfe des Blutes Halbdmonen zu zchten.

KurzbeschreibungA new adventure starring Vertigos longest running antihero, John Constantine, Englands chain-smoking, low-rent magus, featuring artwork by Sean Murphy, illustrator of JOE THE BARBARIAN. When John Constantine is run over by a truck, it takes a little while for Englands nicotine-fueled magus to realize that hes perched between life and death. After a few weeks of hospital rehab, Constantine finds the London streets very different from when he left them behind as a series of occult murders and mutilations demands his attention. The common denominator points back to the ER where Constantine was admitted.
