Christian or not!Von beach@palacenet.netWith the lack of integrity now days it is a breath of fresh air to take a stroll through the life of Joseph. I've never known Joseph until I read this book. Mr. Swindol has done a wonderful job at bringing Joseph to life. Chuck mentions in this book that he believes it's his best piece. I would agree. If your having trouble with a teen

or just a good read this is it! It teaches sexual purity, patience, faith and Integrity. All from a biblical stance. Not many books can impact a person or life as much as this book did to me. This book has been Spirit blessed. This book has changed my life and I know it will change others. I laughed and cried. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Another Triumph for Swindoll Von Donald Brickeen Much like with the first novel in this series, "David", this book is not only wonderfully written and explained, but inspires great strength in the reader. Also like "David", "Joseph" should be read with the intent of learning, of bettering one's self, not for strict entertainment value alone (although the book is highly entertaining). Another tool for the modern day Christian, and another wonderful book from Swindoll though the power of God.

Kurzbeschreibung No family today is more dysfunctional than Joseph's. No one faces greater temptation than Potiphar's wife offered Joseph. No faith is challenged more severely than was Joseph's on death row. Yet Joseph stood firm, exemplifying what is possible when ordinary people maintain their connections with God. Like an epic novel filled with intrigue, tension, and torrential emotions, Joseph's triumphant story touches us all. This third volume in Charles Swindoll's "Great Lives" series presents a fresh look at one of the most intriguing characters in the Old Testament and focuses on the virtue of forgiveness in the face of deceit and betrayal.
