lately, and I can say this Kathy Immonen writes a story more entertaining than most of this. After the critically acclaimed Journey into Mystery run of Kieron Gillen starring Kid Loki this relatively new writer did the only right thing: She made something completely different. Journey into Mystery had been an anthology book since the 50s, since 1963 starring Thor. And Immonen takes the personnel Jason Aaron does not use in his ongoing Thor run, the Lady Sif, the Warriors Three, Heimdall, and tells an interesting tale from a female point of view. There are some references to Gillen in the form of the tale (a wolf and two ravens are involved in telling the story), but the tone is lighter, although the story itself has its shocking moments. The Lady Sif is sick of lacking in power when defending Asgard over and over again, so she asks a witch to do a berserker spell on her. She returns to the court ruthless and raging, so she is banned to another dimension. Coming around Sif gains a supporting cast and meets guest stars along. The first arc comes to an astounding end and makes you long for more. This volume collects #646 to 650 of Journey into Mystery. Sorry to say that the book is cancelled after #655. So, Marvel, give this lady another ongoing book! (I mean Immonen, but I would take Sif too. If you like this, I would also recommend Immonen's Hellcat trade paperback.) The art of Valerio Schiti is clean and crisp, nothing sensational, but always supporting the story. Recommended! Volume 2 is in my personal pipeline.

Lady Sif Von Rezensionist Vorweg muss ich sagen das mich das ganze "Asgard" - Thema nie wirklich interessiert hat, aber dieser Comic hat es geschafft mein Interesse zu wecken. Es kommen nicht die typischen bekannten Charaktere vor, die ich persnlich zu eintrig finde, sondern eher diejenigen die sonst weniger Beachtung finden, allen vorran natrlich Sif, welche auch sehr schn gezeichnet wurde meiner Meinung nach. Auch ist der Comic nicht durchweg ernst, manche Gesichtsausdrcke... herrlich.. sie passen einfach. Im groben geht es darum das Sif sich selbst als "zu schwach" sieht und versucht irgendwie mechtiger zu werden, das das alles nicht so wie geplant verluft, brauche ich glaube nicht zu erwennen, sonst wre der Comic nach 10 Seiten zuende. Ich persnlich freue mich auf den zweiten Teil und werde ihn mir kaufen, in der Hoffnung das dieser von der Qualitt anknpfen kann. Von mir gibt es fr diesen Comic daher eine klare Kaufempfehlung.

Kurzbeschreibung Collects Journey Into Mystery #646-650. An all-new journey begins, starring Sif...the Berzerker?! She may be a Lady, but girly ain't her style! When the latest crop of beasties beset Asgard, our sword-slinging heroine leads the battle charge - but that no-holds-barred zeal for glory may be the very thing that brings the realm down around her winged helm! Finding herself newly minted with an ancient version of the Berzerker spell, Sif returns to an unsuspecting Midgard...and with no patience for relative peace, starts putting out fires with gasoline! Guest-starring the Superior Spider-Man and a collection of Marvel superstars!
