Nicht die Schauspielerin!!!Von GunniAuf der Suche nach der seltenen Autobiografie der Schauspielerin Margaret Rutherford bestellte ich dieses Buch.Es handelt sich hierbei jedoch um die bewegte Autobiografie einer englischen Soldatenwitwe gleichen Namens!Lesenswert, aber mglicherweise fr Sie ebenfalls nicht das, was Sie eigentlich gesucht

hatten.Dies als kurze Rezension, da ein einfacher Hinweis bei leider nicht möglich ist.

KurzbeschreibungMy reason for writing this story, I have met women who have married into the merchant navy with all it entails. I have met others who have lived in Iran and in other countries. I have known families who have experienced the death of children. I have met others who lived with cystic fibrosis and other genetic incurable illnesses and disabilities. I have seen television programmes of children being treated in Great Ormand Street Hospital. I know of lots of people who have adopted children for one reason or another. I have, however, never met anyone who experienced every one of these except my husband and I, and all of it in a ten-year span of life.KurzbeschreibungMy reason for writing this story, I have met women who have married into the merchant navy with all it entails.
