Von Jinx Schwartz : Just Add Water (Hetta Coffey Series, Book 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised Just Add Water (Hetta Coffey Series, Book 1):

It is, in parts. But to get there is really, really boring. First of all it is about two women, both not so young anymore who are desperate for men. Really desperat. You get the picture? Ok, of course the right men turn up and the reader knows it. But of

course... it takes time. Time and boring time to get there. The mystery part is suspenseful, but whenever a bit of suspense has built up, we leave the mystery and are back again to those silly and vain two women.... boring again. In the end, when Hetta's newfound love is missing every reader will know where he is and what he is doing.... Only Hetta doesn't and feels cheated.... Come on! And there wouldn't even be much of a mystery if Hetta wouldn't hold back on a piece of evidence for no reason. The boating part is disappointing as well. Hetta has a boat only after half of the book and then it takes nearly the rest of the book for her to handle it.... The book is said to be funny. There is one hilarious scene, where Hetta takes revenge. That is all. Oh, and the story of the dog is sad, but nice and entertaining. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Lustig bis spannend und ab und zu etwas traurig. Von AR1980 "Just Add Water" war für mich nicht ganz so einfach zu lesen, da gerade die Wortspielereien im Englischen erst nach zwei- oder dreimaligem Nachlesen ihren Sinn - und meistens ihren Witz offenbaren. Ansonsten eine locker-flockige Lektüre, die jedoch auch ihre traurigen und ernstesten Momente hat. Allerdings hat sich mir das "mystery" im Untertitel ein wenig entzogen. Ich bin von einer Fantasy/Mystery-lastigen Geschichte ausgegangen - und diese Erwartung wurde nicht erfüllt. Trotzdem hat es Spaß gemacht, das Buch zu lesen, insofern ist das nicht ganz so schlimm. Jemandem, der sich jedoch rein auf das Lesen von Fantasy/Mystery beschränkt, ist das Buch jedoch abzuraten...

Kurzbeschreibung HETTA COFFEY IS A SASSY TEXAN WITH A SNAZZY YACHT, AND SHE'S NOT AFRAID TO USE IT! Just Add Water, winner of the National EPPIE Award for BEST MYSTERY. Hetta Coffey is a globe-trotting civil engineer with a swath of failed multi-national affairs in her jet stream. Plying the San Francisco waterfront, trolling for triceps, her attention is snagged by a parade of passing yachts especially their predominantly male skippers and experiences a champagne-induced epiphany: If she had a boat, she could get a man. In spite of a spectacular ignorance of all things nautical, Hetta buys her dream boat, but a shadowy stalker, an inconvenient body, and Hetta's own self-destructive foibles imperil her goal. Hetta Coffey brings a whole new meaning to the phrase sink or swim!
