Von Torey Hayden : Just Another Kid: Each was a child no one could reach until one amazing teacher embraced them all before purchasing it in order to gage whether or not it would be worth my time, and all praised

Just Another Kid: Each was a child no one could reach until one amazing teacher embraced them all:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. A wonderful, touching bookVon Ein KundeThis is one of my favorite books. It's good to know that Ladbroke was able to sort out her problems. I liked how Torey got Shemona to talk and not be afraid of her sister. What happened to Geraldine absolutely broke my heart, though I thought what she did to Shamie was disgusting. It's awful that a child deteriorates emotionally like that due to a tragedy that she can't understand. I hope to read more Torey Hayden books.0 von 0 Kunden fanden die folgende Rezension hilfreich. A Powerful Yet Bittersweet StoryVon Ein KundeTorey Hayden once again has written a powerful, moving story. I read the story this past fall, and even now I still think about the people in the story and wonder where they are now. In this book Torey focuses primarily on her relationship with her teaching assistant, and I would have liked some more detailed information on the actual students. However, Torey still presents a gripping account of her students' struggles as well as her assistant's difficulties. Once again Torey helps bring about miraculous improvements in the lives of both her students and her assistant. However, one child has been so badly traumatized by her life in Northern Ireland that she deteriorates markedly while the other students blossom. Torey tries hard to save this child, but in the end her problems are too complex for a teacher to handle. I still wonder about what happened to this child, and I pray that perhaps someone, somewhere can help her. Torey has once again written a memorable book that will have a lasting impact on the readers.0 von 0 Kunden fanden die folgende Rezension hilfreich. Just Another Kid!!!!!!Von Ein Kunde"Just Another Kid" has become one of my favorite books by Torey. Probably because I see a little of myself in the Ladbroke. Not the alcohol problem, mind you. reading Torey's books has inspired my interest in Psychology and Education very much. I think that it is such a wonderful way to spend one's life. What a wonderful career, what could be better than to give your time to those that need you most. In regards to the dispute about the title, Ladbroke, was just another kid. SHE had problems that she needed help with and she couldn't do it on her own. Her problems show us that problems don't go away because one has grown up. Her vulnerability gave her the innocence of one of Torey's disturbed children. well that's all I have to say. I highly recommend all of her other books. Can't wait for the new one's she is writing!!!!

KurzbeschreibungA dramatic and remarkable narrative of an extraordinary teacher's determination, from the author of the Sunday Times bestsellers *The Tiger's Child* and *One Child*.Torey Hayden faced six emotionally troubled kids no other teacher could handle three recent arrivals from battle-torn Northern Ireland, badly traumatised by the horrors of war; an eleven-year-old boy, who only knew life inside an institution; an excitable girl, aggressive and sexually precocious at the age of eight; and seven-year-old Leslie, perhaps the most hopeless of all, unresponsive and unable to speak. But Torey's most daunting challenge turns out to be Leslie's mother, a stunning young doctor who soon discovers that she needs Torey's love and help just as much as the children.Just Another Kid is a beautiful illustration of nurturing concern, not only for a few emotionally disturbed children, but for one woman facing a personal battle.Pressestimmen""Just Another Kid" is not just another book. This remarkable teacher's memoir reminds us that love takes many forms."-- "The New York Times""Just Another Kid" is an enchanting, inspiring book...impossible to put down."-- "The Washington Post"KurzbeschreibungA dramatic and remarkable narrative of an extraordinary teacher's determination, from the author of the Sunday Times bestsellers *The Tiger's Child* and *One Child*.Torey Hayden faced six emotionally troubled kids no other teacher could handle three recent arrivals from battle-torn Northern Ireland, badly traumatised by the horrors of war; an eleven-year-old boy, who only knew life inside an institution; an excitable girl, aggressive and sexually precocious at the age of eight; and seven-year-old Leslie, perhaps the most hopeless of all, unresponsive and unable to speak.
