**Von Patricia Polacco : Just Plain Fancy** before purchasing it in order to gage whether or not it would be worth my time, and all praised Just Plain Fancy:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. An Amish Peacock Von Ein Kunde This book is a delight for young and old readers alike, especially for those who love peacocks, as we do. The two little Amish sisters in the story find an exotic egg and place it with their hens for safekeeping. The little bird that hatches grows into a beautiful creature, but is much fancier than their plain chickens. The girls worry that his fanciness could lead to trouble in their community, where plain is a way of life. The bird makes an unannounced arrival at a large gathering of the community, much to the despair of the girls, who have secreted him and his beautiful feathers away for fear he will be shunned. One of the elders of the Amish community comforts the girls by explaining that the beauty of God's handiwork can never be shunned and that some things are JUST PLAIN FANCY! As always, Patricia Polacco's artwork makes the story come alive. Her charming prose makes you smile as the girls decide what to do with this fancy creature while still being true to their upbringing. A wonderful

book, especially for the animal lovers in the family.0 von 0 Kunden fanden die folgende Rezension hilfreich. Your children will beg you to "Read it again."Von Ein KundePatricia Polacco has written many books, one more engaging than the next. My two girls, now ages 9 and 12, discovered the magic of her storytelling ability many years ago and, even today, a new Polacco book is cause for celebration. But of all of Polacco's books, Just Plain Fancy, has delighted them most of all.The simple story line combines with wonderful illustrations to create a book that is warm and amusing. It's a perfect bedtime story antidote to the frenzied pace that even our children must keep.0 von 0 Kunden fanden die folgende Rezension hilfreich. "Just Plain Fancy," a fanciful tale about Mennonites.Von Ein KundePolacco's engaging pictures and charming story do delight children. Teachers might, however, expand use of this story to point out the differences between fiction and fact. To Mennonites, an anabaptist Pennsylvania German group, headcoverings have religious significance. They are not 'rewards' as indicated in 'Just Plain Fancy.' Readers should be cautioned that this is a 'fanciful' tale.

KurzbeschreibungNaomi Vleck lives with her farming family in an Amish community in Pennsylvania. The Amish first came to Pennsylvania in the early 1700s, and to this day preserve a religious and "plain" life-style. As part of her household chores, Naomi looks after the chickens with her little sister, Ruth.From the Trade Paperback edition.KurzbeschreibungNaomi Vleck lives with her farming family in an Amish community in Pennsylvania. The Amish first came to Pennsylvania in the early 1700s, and to this day preserve a religious and "plain" life-style. As part of her household chores, Naomi looks after the chickens with her little sister, Ruth.From the Trade Paperback edition.Synopsis Naomi, an Amish girl whose elders have impressed upon her the importance of adhering to the simple ways of her people, is horrified when one of her hen eggs hatches into an extremely fancy bird.
