Liebenswert und weiseVon bookmarkSehr witzig und so schn erzht!Ursprnglich fr Kinder geschrieben, erklren die zauberhaften Geschichten den Anbeginn der Welt. Wir erfahren wie das Alphabet entstand, der erste Brief geschrieben wurde, wie die Tiere zu ihren Merkmalen kamen und andere wichtige Geschehnisse. Mit seinen bildhaften

Phantastereien beweist Kipling einmal mehr, dass er ein Meister der Sprache war. Wer dieses Buchlein einmal gelesen hat, wird es immer wieder hervor nehmen wollen, um in ihm herumzubern. Die unbefangene Naivität wird nur noch betroffen vom Sinn für Wunderbare. Hinzu kommt die stilvolle Aufmachung der 'Collector's Library'. Wie gewohnt im Taschenformat mit Goldschnitt und ausgestattet mit Kiplings Illustrationen. Gute Englischkenntnisse vorausgesetzt, ist diese Sammlung eine wahre Schatzkammer für junge und jung gebliebene Menschen. 4 von 4 Kunden fanden die folgende Rezension hilfreich. *The Just So Stories* Von Thomas McCue This book is a classic meant to be read aloud. It's best when read to children as a bedtime story on a winter night. Try using different voices for the characters... children have a good time with this and so will you. And, usually, they will ask you to read the next story when you've finished. The next story, of course, is saved to be read tomorrow night. 3 von 3 Kunden fanden die folgende Rezension hilfreich. Excellent! For ALL children - of All ages! Von Begee Obee I was fortunate enough to have been given a copy of this book, and the accompanying 33rpm record for my 6th birthday. It was to turn out as one of the 'Landmarks' in my reference to life. Almost half a century later, I use the stories for the Grandkids, and as a reminder: He who takes the cakes That the Parsee man makes, Makes dreadful mistakes! It is not possible to recommend this book as a higher value, with the obvious exception of The Holy Bible.

Kurzbeschreibung Read Kipling's hilarious explanations of why the whale loses his appetite for humans, how the kangaroo learns to hop, and more in *Just So Stories*. Eight entertaining stories are included in this book. From Publishers Weekly Harper Children's Audio continues its re-release rollout of classic backlist titles with Rudyard Kipling's *Just So Stories and Other Tales* performed by the late British actor Boris Karloff. *Just So stories* include "How the Leopard Got His Spots" and "The Elephant's Child"; the "other stories" are tales from Kipling's *The Jungle Book*, including "Mowgli's Brothers." Copyright 2001 Cahners Business Information, Inc. From Booklist Gr. 4[^]-6. This handsome edition of Kipling's 12 original stories features 10 color plates as well as a number of black-and-white ink drawings. The drawings have a rather sketchy, informal look, whereas the watercolor paintings reflect the more polished, formal style of character portraits often seen in Moser's work. Libraries that offer a selection of the classics will want to add this version to their collections. Carolyn Phelan
