Von **MARK FARMER, ALAN DAVIS** : **Justice League of America: The Nail** before purchasing it in order to gage whether or not it would be worth my time, and all praised Justice League of America: The Nail:

KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. Everything worked for me except the endingVon Todd WylieThe art was fantastic and I enjoyed the story. So why three stars, because the writers violated the premise of this Elseworlds story: a world without a Superman had a Superman. It was a shame because the characterization of the rest of the JLA, most notably Green Lantern, Batman,

and Hawkwoman, was very well done. It would have been a better story if Batman would have won the final fight...with a timely assist from Oliver Queen--I was annoyed that they didn't reintroduce the Green Arrow subplot. If the story would have been handled in this way, I would have rated it 5 stars. As it is, it's still worth reading--it's just not what it could have been. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Finally, a center stage for a beloved character. Von Larry Eischen Although I loved the book in general, I loved the hints and misdirections planted in the story. The mystery villain is a true surprise. Is it Lex Luthor? Is that shadowy star shaped character Starro the Conqueror? Will Elastic Lad save the day? When the villain's identity is revealed, we find a new role for a Superman family stalwart who finally gets center stage. And you got to love the return of Krypto. Great Job everyone! 0 von 0 Kunden fanden die folgende Rezension hilfreich. But worth it for the art alone Von Ein Kunde Most of the criticisms of the storyline have been right on the money: we're just getting too many dark "Elseworlds" stories from DC where old favorites go berserk and are responsible for the deaths of others, and it finally takes the reassertion of old superheroic values to put things to rights. We've had in the last few years "Kingdom Come," "the Golden Age," and on and on and on...But this is worth buying just for the art alone. Alan Davis has about the finest lines of any working artist (his figures remind me of John Byrne in his better, earlier, more cartoonish days in the Seventies). He does a spectacular job of drawing several old Silver Age favorites (including an absolutely luscious Star Sapphire, making me wish DC would bring back that character to the Green Lantern series). The simplicity of the storytelling is also greatly appreciated, and the dialogue is done quite well. This would've been fantastic had he just chosen a more original plotline.

Kurzbeschreibung Taking place in an alternate reality, JUSTICE LEAGUE OF AMERICA: THE NAIL examines the nature of a world without Superman. Years in the past, a flat tire caused by a nail prevents the Kents from discovering a small rocket ship with an alien baby inside. As a result, the world's greatest hero never comes to be. Now, without a symbol of unimpeachable integrity or a selfless leader who inspires greatness in their ranks, Batman, Wonder Woman, the Flash, Aquaman, the Atom, and Green Lantern must battle public contempt and personal mistrust as they attempt to work together to protect a world that fears them. Kurzbeschreibung Taking place in an alternate reality, JUSTICE LEAGUE OF AMERICA: THE NAIL examines the nature of a world without Superman. Years in the past, a flat tire caused by a nail prevents the Kents from discovering a small rocket ship with an alien baby inside. As a result, the world's greatest hero never comes to be. Now, without a symbol of unimpeachable integrity or a selfless leader who inspires greatness in their ranks, Batman, Wonder Woman, the Flash, Aquaman, the Atom, and Green Lantern must battle public contempt and personal mistrust as they attempt to work together to protect a world that fears them. Synopsis When Lex Luthor spearheads a campaign against parahumans and aliens, his xenophobic rhetoric fans the flame of fear and suspicion and the Justice League of America are transformed from society's protectors to its pariahs. As the situation spirals out of control, it could spell the end of the JLA.
