Von Mildred Pitts Walter : Justin and the Best Biscuits in the World before purchasing it in order to gage whether or not it would be worth my time, and all praised Justin and the Best Biscuits in the World:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A great book that teaches that you can do anything!Von Ein KundeThis is a great book about an African-American boy named Justin. Over the course of a stay with his cowboy grandfather, he learns that there is no such thing as women's work, you can do anything once you learn how, and a cool history lesson about black cowboys. My 4th grade students loved it and we had a great debate over whether there is a such thing as women's work!0 von 0 Kunden fanden die folgende

Rezensiön hilfreich. Believe in yourself! Von Ein Kunde Justin and the best biscuits in the world is about a little boy named Justin. Justin is not very tidy at all. When his grandpa comes to stay Justin gets to go back with his grandpa who lives on a ranch. When he believes in him self and tries he did all the stuff he could not do before. 0 von 0 Kunden fanden die folgende Rezension hilfreich. A great look at the past Von tehurley@yahoo.com I had my fifth graders read this book and they loved it. They couldn't put it down. It's an excellent look at an all too unknown group of people in history--Black Cowboys. It's also a wonderful coming of age story. It comes highly recommended from the students of St. Malachy School.

Kurzbeschreibung Ten-year-old Justin hates that his sisters and his mama are always fussing at him. They make him feel stupid because he can't clean his room or cook. But why should he? He'd rather be outside playing. After all, cooking and cleaning is just women's work. That's why Justin is glad when his grandfather invites him back to his ranch for the summer. Justin is sure he can get away from all the women and do some actual men's work, such as cleaning fish, mending fences, and riding horses. But back at the ranch, Justin learns some unexpected lessons and soon realizes that anyone can do anything once they learn how..deSure, he can catch a greased pig at a local rodeo, but can he bake biscuits? Ten-year-old Justin struggles to "feel like a guy" in a family dominated by females. When he goes to spend a week at his grandfather's ranch, he discovers there's more to being a man than riding horses and tending to livestock. There's also cleaning up messes, making beds and, from time to time, baking biscuits--good biscuits. Along with its lighthearted treatment of gender conflict, this story, which won the 1987 Coretta Scott King Award, provides a look at the little-known history of the black cowboys who helped settle the West and create rodeos. Pressestimmen Refreshing, likable characters, an exciting rodeo and a history of the black cowboys combine to create a very special story. (Publishers Weekly)
