Karen is just so cool!Von Ein KundeThis was my first karen's book and now because of that single book I am a great fan of Ann.m.martin. This book was good.She finds ducklings in her school backyard behind the bushes.It is spring time and Karen is enjoying herself reading about spring,Planting new seeds,Writing poetry and best of all with the

ducklings, this book is Terrific! If I can give you a suggestion it will be to get out there and read this book.

Kurzbeschreibung When Karen and her class find a duck outside her classroom, they get to witness the hatching of her eggs and to help take care of the ducklings. **Kurzbeschreibung** When Karen and her class find a duck outside her classroom, they get to witness the hatching of her eggs and to help take care of the ducklings. **Synopsis** Karen finds a duck in the school grounds, with a nest full of eggs. She can't wait to watch the ducklings hatch and grow. This is going to be the best spring ever.
