This book wan't bas and it wasn't great Von Ein Kunde The part about Karen's party was good, but when she returns to school, I couldn't tell if the kids that were not invited to Karen's party happy or not. I wouldn't say not to read this book, but I wouldn't exactly reccomend it either. 0 von 0 Kunden fanden die folgende Rezension hilfreich. I liked it Von Ein Kunde Karen's Half Birthday is good, but Karen's idea of a half birthday is juvenile. Even for a seven year

old. I recommend #7- Karen's Birthday much more than this one
