Von Annie Bryant : Katani's Jamaican Holiday (Beacon Street Girls) (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Katani's Jamaican Holiday (Beacon Street Girls) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Courtesy of Teens Read Too Von Teens Read Too Grandma Ruby has received a letter from her Aunt Faith in Jamaica asking her to visit for a little while and help with the family banana bread bakery while her aunt has surgery. Katani can't wait to go along and bask in the tropical sun on the Jamaican beaches, and, soon enough, both she and Grandma Ruby are in

the airport at Montego Bay meeting Katani's older cousin, Selvin. But surf and sand is something Katani sees little of on her Jamaican holiday. The bakery where her relatives bake the island's famous "Nana's Banana Bliss" is in danger, threatened by a larger company who might even be using a spy. When Katani's cousin, Olivia, loses a priceless necklace that belonged to her deceased mother, Katani gets roped into helping her get it back from their blind neighbor's dog. On their midnight mission, they see one of Aunt Faith's employees sneaking around in the bakery. But how can they reveal who the spy is if they would only get in trouble themselves? This book captivated me with its descriptions of Jamaica, its people, and its traditions, all while tying into an interesting mystery. Aside from a few rather lame attempts at mentioning other characters in the BSG series and how they would appreciate such and such thing, this story stands perfectly well by itself, and it is not necessary to have read any other books in the series prior to this one. Reviewed by: Allison Fraclose

Kurzbeschreibung Meet the Beacon Street Girls... They're real, they're fun - they're just like you! Jamaican breezes are calling, and one hardworking BSG definitely deserves a getaway! But Katani's Caribbean dream trip may not be all soft sand and warm surf. When Grandma Ruby learns that the family's famous banana bread bakery is in serious danger, Katani's business savvy is put to the ultimate test. Spooky stories, dolphins, horseback rides on the beach, a mysterious old lady, and a lost heirloom add up to plenty of colorful island adventure for Katani and her family. Spooky stories, dolphins, horseback rides on the beach, a mysterious old lady, and a lost heirloom add up to plenty of colorful island adventure for Katani and her family. ber den Autor und weitere Mitwirkende The Beacon Street Girls books are inspired by all the preteen girls I've ever known. I wanted to create a world where girls can go to have fun and learn about who they are, while modeling real-life experiences. The first book, Worst Enemies/Best Friends, explores creating and testing friendships, skewed first impressions, and being the new kid at school. In the end, true friendship conquers all. Welcome to the world of the BSG!
