Von Sean Smith : Kate (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Kate (English Edition):

Kurzbeschreibung The sun shone, the crowds waved and cheered wildly and billions watched on TV all around the world as Kate lovingly kissed William on the balcony of Buckingham Palace - not once but twice! Beautiful and composed, Kate smiled throughout a day that had become a wonderful celebration of a young couple's love for one another. The world, it seemed, still believed in their favourite fairytale - any girl could dream of becoming a princess. Kate is the definitive biography of the nation's newest princess. Bestselling author Sean Smith has retraced the steps of Kate's journey, from her childhood in rural Berkshire and her unhappy time as a victim of school bullies, to her transformation from a plain girl into the beauty she is today. He reveals the true story of how the romance with William blossomed at St Andrews University and how they managed to survive as a couple after the relationship hit the rocks in 2007, becoming stronger with a firm commitment to each other that they were for keeps. He examines Kate's time spent as a royal apprentice and her evolving role as an ambassador for British fashion. The story ends in Westminster Abbey where Kate and William married, describing all the glamour and spectacle of their big day. Fully illustrated, this is the one book you will want to read about the event of the decade. Pressestimmen. Pressestimmen.
