to Kauai without this book! Von Bill Protzmann I'll keep it short and sweet: Lenore knows Kauai. Been to Kauai several times, but when we've used the Underground Guide (our last two trips) we've found: 1) Better places to eat; 2) More stuff to do that we wouldn't have thought of (and some things that weren't in the other Kauai guidebook, which we've since discarded); and 3) Some Kauai friends. The best way to experience the Garden Isle is with people who know it well, and we've actually met some friends in Kauai as a result of going 'Underground.' It's a must -- the best vacation investment you could make. Give up feeling like a tourist with Lenore's help. You'll find this guide up-to-date (I purchase a new copy before each trip), accurate down to the details (e.g. a deli that may not get your sandwich just right unless you check before you leave!), and easy to use (organized to be quickly accessible by restaurant, activity, etc, based on where you want to be on the island -- two page flips and you're on the way to a precise choice of food or fun based on the budget or level of activity you want). Whether going to a 'locals-only' beach or restaurant, Lenore's been there, and her reviews (and directions) are right on. Highly recommended. Thanks, Lenore.

My wife and I just had a fabulous holiday on Kauai thanks, in part to the "Kauai Underground Guide" - 15th anniversary edition. We've never come across a guide that was so "in tune" with what we like and furthermore, one which was so accurate in all categories of information provided. We used timeshare accommodation in Princeville and Kapa'a and the guide greatly assisted us in finding beaches, restaurants and sights of interest. We couldn't find one paragraph that we disagreed with!!! As you can imagine, we are now the satisfied owners of a well-worn, dog-eared, Underground Guide complete with sunscreen stains! What a find! Keep up the good work - because we'll be going back to Kauai again! We have all of those other restaurants to try out and places to see!

I found this book and was drawn by it's cover and the Free Music CD (which contains five beautiful songs by my favorite Hawaiian artist, Keali'i Reichel). After browsing through the book, I checked the website and found an email address. The author, Lenore, answered my questions within a few hours. She continued to answer my questions and gave individual advice, based on our family's needs. Some of my favorite sections include: Traveling with Children, What to Pack, Favorite Beaches, Snorkeling, and Restaurant Guide. Best advice from author: When snorkeling, take anti-biotic ointment and bandaids for scrapes, AND take fish food in plastic baggies to disperse slowly. Buy this book, ENJOY the CD, check out the website, and email Lenore with any specific questions.
