Von Anthony Trollope : Kept in the Dark (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Kept in the Dark (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 3 von 3 Kunden fanden die folgende Rezension hilfreich. an affirmation of marriage Von Ein Kunde An editorial review mentioned that this is a story about the near-destruction of a marriage. I see it, rather, as the affirmation of true marriage. Both the hero and heroine--having been misled about the character of previous betrothal connections must overcome feelings of distrust and personal pride to come to a true understanding . . . Trollope uses this novel to show that honesty and integrity are not just virtues; they are essentials. In

a time when so many best-sellers end in divorce, Trollope's characters come to the end of this short novel stronger and more true--and still married. And those who are untrue are exposed along the way.0 von 0 Kunden fanden die folgende Rezension hilfreich. sehr gut, Ich bin ein großer Trollope Fan und besitze fast alle seine Bücher, die ich mir im Laufe meines Lebens erworben habe Von Trollope Das Buch ist kein typischer Trollope, da seine Bücher meist viel dicker sind und mehrere Plots ineinander verwoben sind. Trotzdem ist es hervorragend geschrieben, wie alle seine Bücher und hat mir sehr gut gefallen. Ich liebe die englische Literatur der 19. Jahrhunderts und Trollope ist eben ein sehr guter Vertreter dieser Literatur Was mich sehr gestört hat, war das Format mit dem idiotisch kleinen Druck.

Here, couples love and fight, engagements are made and broken, romantic deceptions, misunderstandings and wonderful revelations come to light, as only Trollope could write them.
