**Von William Shakespeare : King Henry IV, Part 1 (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised King Henry IV, Part 1 (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.  
Schlechte EditionVon Nicole EngertAufgrund der wirklich schlechten Edition mindestens 1 Stern Abzug. Ansonsten gute Geschichte. Ohne Rechtschreibfehler. Fr ein Drama von Shakespeare wenig Tote^^0 von 0 Kunden fanden die folgende Rezension hilfreich. Remarkably great!Von Hannah MagnusI read it with the utmost pleasure! I really had't had much familiarity with Shakespeare's histories, but because I watched "the Hollow Crown" series, I felt like trying

to read the plays as well, am currently reading Henry V after having read Richard II and Henry IV. Much has been said about the wonders of Shakespeare, and I fully agree. I sat reading his plays out loud because Shakespeare just wants to be spoken, and it has cleared up some of the more complicated parts for me, having read them myself. I love the language and have found that the histories are actually rather less difficult to understand than some of his other pieces, simply because it tells a less complicated tale. I highly recommend the histories to people, who would like to ease gently into Shakespeare!

When he was eighteen, he married Anne Hathaway. The couple had three children an older daughter Susanna and twins, Judith and Hamnet. Hamnet, Shakespeare's only son, died in childhood. The bulk of Shakespeare's working life was spent in the theater world of London, where he established himself professionally by the early 1590s. He enjoyed success not only as a playwright and poet, but also as an actor and shareholder in an acting company. Although some think that sometime between 1610 and 1613 Shakespeare retired from the theater and returned home to Stratford, where he died in 1616, others believe that he may have continued to work in London until close to his death.
