KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. ein absolutes Muss fr jeden GemeindegnderVon D. FroeseDa ich selbst in der Verantwortung bin eine Gemeinde zu grnden, war ich sehr interessiert an dem Thema. Nach den Empfehlungen zu urteilen war ich sehr erwartungsvoll was

dieses Buch angeht. Und diese Erwartungen wurden in keinsten Weise enttäuscht. Der Autor fordert seine Leser, vor allem Gemeindeglieder, heraus in völlig neuen Anstzen zu denken. Ihm geht es vor allem darum den Leser zu befreien von dem Wunsch sich eine ideale Gemeinde zu bauen. Sondern vielmehr geht es ihm darum, dass Gemeindeglieder gründer denken, als bis zur eigenen kleinen Gemeinde. Die Ausbreitung des Reiches Gottes und die mehrfache Multiplikation sollte das Ziel jeder neuen Gemeindegründung sein. Dieses Buch sollte jeder lesen der in der Verantwortung steht eine Gemeinde zu leiten oder darüber nachdenkt eine zu gründen.

Kurzbeschreibung Seek first the kingdom of God and His righteousness. There are few dreams more spiritually intoxicating than the dream of being used by God to start a new community of Christ that skillfully brings the restorative gospel to a lost and broken city. Something which feels like a spiritual landslide that starts with lostness and ends in an avalanche of new congregations multiplying and transforming community after community into which they unmistakably seep. Authors Jeff Christopherson and Mac Lake call readers to imagine a movement that vividly remembers the insubstantial days of a mustard seed with a sense of awe and wonder when looking at the indescribable harvest that stands all around. Though the kingdom of God can't be forced by superficial methods, the good news is that when you move past the threshold of your competency and comfort, you find yourself in the very spot where God can use you like no other. What wouldn't you sacrifice to be a part of something that only could be described as a God-honoring gospel movement?
