1 von 1 Kunden fanden die folgende Rezension hilfreich. Not as raw and powerful as the blog, however, adds more depth
Von JoannainGermany
I loved reading Katie's book, because it gave some more background for someone like me, who doesn't know Katie in real life. However, it was not quite as enjoyable as the blog (kissesfromkatie.blogspot.com). When Katie writes in her blog, it is so in-the-moment of what she is going through that it adds a touch of passion and fire to everything she shares. This book is written after the fact (and has a ghost-writer) and is therefore not quite as powerful or moving. I was a slight bit disappointed, as I had expected Katie's usual zeal, but at the same time, I really appreciated knowing some of the more behind-the-scenes details.

Von Johanna Schmidt
Ich habe schon lange kein Buch mehr gelesen das mich so herausgefordert und zum nachdenken gebracht hat... Ich habe es weiter geborgt und es hat sich verbreitet wie ein Lauffeuer. Nicht ohne Grund :)
0 von 0 Kunden fanden die folgende Rezension hilfreich. sehr interessant
Von Kartoffeljaeger
sehr interessant und absolut zu empfehlen. Inspirierend und herausfordernd, leicht geschrieben. einfach fast unglaublich was diese junge frau bewegt und verndert hat.

Kurzbeschreibung
The New York Times bestslling account of a courageous eighteen-year-old from Nashville who gave up every comfort and convenience to become the adoptive mother to thirteen girls in Uganda. What would cause an eighteen-year-old senior class president and homecoming queen from Nashville, Tennessee, to disobey and disappoint her parents by forgoing college, break her little brothers heart, lose all but a handful of her friends (because they think she has gone off the deep end), and break up with the love of her life, all so she could move to Uganda, where she knew only one person and didnt even speak the language? A passion to follow Jesus. Katie Davis left over Christmas break of her senior year for a short mission trip to Uganda and her life was turned completely inside out. She found herself so moved by the people of Uganda and the needs she saw that she knew her calling was to return and care for them. Katie, a charismatic and articulate young woman, is in the process of adopting thirteen children in Uganda and has established a ministry, Amazima, that feeds and sends hundreds more to school while teaching them the Word of Jesus Christ. Kisses from Katie invites readers on a journey of radical love down the red dirt roads of Uganda. Youll laugh and cry with Katie as she follows Jesus into the impossible and finds joy and beauty beneath the dust. Katie and her children delight in saying yes to the people God places in front of them and challenge readers to do the same, changing the world one person at a time.
Pressestimmen
"When you think of what one young woman can accomplish by simply being open to God's call no matter the cost, you begin to ask questions like, "Am I really open to God's will for my life"? Through Katie's life, we're reminded how God can use ordinary people to do extraordinary things for Him. We simply need to be willing to be used."--Rich Stearns, President of World Vision US, Author of The Hole in Our Gospel
"Scripture is filled with remarkable stories of children being used by God to accomplish His purposes here on earth. "Kisses from Katie" is another wonderful reminder that 'big' things for the kingdom do not come from age or experience, but as an overflow of a deeper love within. I highly encourage you to read this captivating account of obedience to God's call, and I challenge you to consider what you are doing to 'care for the least of these.'"--Dr. Wess Stafford, President and CEO, Compassion International
"I was blown away when I first heard of Katie's incredible story. I'm excited many others will now have the opportunity to be inspired and challenged by it."--Scott Harrison, Founder/CEO of charity: water
"With reckless abandon, Katie Davis followed her heart to care for orphans living in extreme poverty in Uganda. Her stories captivate the reader to take action, join her work, and make the world a better place for children--one by one."--Senator William H. Frist, MD
"Katie Davis has the story that makes radio talk show hosts stop in their tracks and say with deep disbelief, 'No, she didn't.' But, yes, she did! At the age of nineteen, Katie Davis left the upper-middle-class life to move to Uganda, start a nonprofit organization, and begin the adoption process for thirteen daughters who needed a mother. Now she is the young dynamo of the gospel, bringing love and joy not just to her children but to an entire village and region. She is an inspiration and a testament to what God will do when one is willing to be used."--Hugh Hewitt, host of The Hugh Hewitt Radio Show
"I was profoundly moved, challenged, and convicted as I read "Kisses from K"atie, and I came away wanting to know Jesus the way that Katie does. This is an honest and compelling account of one young woman's journey of obedience to a Jesus who loves the whole world, especially the forgotten and the marginalized. Jesus was the most revolutionary and subversive man who ever lived. Following Him should lead us to be graciously radical in His name."--Mike Erre, author of Why the Bible Matters and The Jesus of Suburbia
"A breathtaking journey into the sorrow and beauty of abandon to Jesus Christ. Katie Davis is young, still learning daily how best to serve. Yet her reckless, Peter-like love calls the bluff of a Christianity that refers to Jesus as 'Lord' with only partial intent of doing what he says. This is not a book to read if you wish for your comfort, convenience, and control to remain undisturbed. But if you stand willing to act upon belief, here you will encounter the full heartache and joy that await any person who ventures near to God's heart through adoption and other ways of loving the orphan in distress."--Jedd Medefind, president, Christian Alliance for Orphans
"Katie is one of the most courageous and inspiring young women I have ever met. She is a role model of

what it looks to follow Jesus in the twenty-first century. "Kisses from Katie" will be one of those books you cannot put down. It will literally transform everything about you and guide the way for you to take your ordinary life and fashion it into something extraordinary."--Tom Davis, author of *Red Letters*, *Fields of the Fatherless*, and *Priceless*"As I read Katie's book, I felt like I was reading Amy Carmichael. As Amy did in her life, Katie shows Jesus to be amazingly wonderful not only in what she writes, but also in how she selflessly cares for the fatherless. If you want to love Jesus more and better understand his love for the least of these, read "Kisses from Katie". She is for our generation what Amy was for hers: a hero in fulfilling God's call to care for orphans."--Dan Cruver, director, *Together for Adoption*, author of *Reclaiming Adoption*"Katie Davis is an inspiration to me as a wife, mom, and follower of Christ. Her devotion to the Lord and her love for His children challenge me to give sacrificially, serve selflessly, and live out my salvation with radical abandon!"--Heather Platt, adoptive mother and wife of David Platt, author of *Radical*
