Von Thomas Nelson : KJV Study Bible, eBook: Second Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised KJV Study Bible, eBook: Second Edition:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. I am very happy with this Study bibleVon Yes that`s the best of the study bible on the ebook Reader - the using of this Bible is very easy1 von 1 Kunden fanden die folgende Rezension hilfreich. Informative, resourceful, affordable.Von H. BarrettI highly recommend the Nelson KJV Study Bible. Its many features include book introductions, outlines, references, annotations, maps in the text, red letters, 'Doctrinal Footnotes,' 'Personality Profiles,' and 'Archaeological Sites,' all of which are easy to read and understand and provide a rich background and context for biblical events. The pages are well laid-out, with an easy-to-read type-face on medium-weight paper, bound in genuine leather with the

traditional 'Holy Bible' stamped in gold on the front. With resources rivaling the Ryrie Study Bible, Nelson's King James Study Bible is well worth the modest price. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Great book!!!!!! Von FreedomI've bought this book about 2 years ago and do still use it together with some other study Bibles for research. The most precious thing on this Bible is the fact, that it's based on Textus Receptus. The comments are very interesting and show sometimes a completely different point of view on special matters in comparison to other commentaries. The views are fundamental. I do really like this study Bible and can highly recommend it to every one!

KurzbeschreibungThe most comprehensive King James Version study Bible published in 50 years. The King James Study Bible has more 2,000 pages packed with thousands of notes and commentaries from respected conservative scholars. More than 5,700 annotations in a unique format offer a broad understanding of the Bible and how it relates to the world we live in today. Features include: Presentation page
