Von Emmett Laor : The Invention of the "Palestinians" [The Revised Edition] (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Invention of the "Palestinians" [The Revised Edition] (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Wie es wirklich ist Von Ted Siman Sehr informativ. Rumt mit desinformationen auf. Allerdings die Beschftigung mit relgisen

aspekten halte ich für beflussig den die historischen Tatsachen sprechen schon für sich selbst.

Kurzbeschreibung Who are the Palestinians? When did they come into being? Why? And how so? What theological, political, historical, and ethical significance does their invention have? How should we understand the historical and religious significance of the recent invention of the Palestinian people and the possible invention of a new country called Palestine? In this groundbreaking text, 27 myth-shattering theses are put forth and argued in detail using the resources of Psychoanalysis, Talmud and Torah, Philosophy, and History. The author engages in criticisms of key thinkers (Slavoj Žižek, Alain Badiou, Jean-Paul Sartre, Ernesto Laclau, Edward Said, etc.) and relies on the work of writers as diverse as Joan Peters, Shlomo Sand, and Rashid Khalidi. Radical views are put forth on various topics including Judaism, the Middle East, and Theology. The Invention of the Palestinians is unlike any book you have read.
