Von Elizabeth Wallace : The Invisible Thread: A Journey Home (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Invisible Thread: A Journey Home (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A Fascinating MemoirVon Anja FriedrichElizabeth Wallaces memoir The Invisible Thread : A Journey Home tells the story of a young girl who is ripped away from a loving home by her biological mother and a mentally ill aunt. Young Elizabeth disposes of an extraordinary personal strength and is able to overcome the depressing reality of a vulnerable childhood in the US of the 1950s and 60s by a unique gift of fantasy and intelligence.And the unbelievable comes true: In spite of the difficult constellation at home and limited financial means, Elizabeth, awakening her seemingly indifferent mother to the reality of her plight, is able to pursue her education in Irelands dignified Kylemore Abbey

and later becomes a pupil of Cork School of Music and the Royal Academy of Music in London. It's a great account of an Irish-American career, but *The Invisible Thread* is much more: a great, sophisticated and warm book of a great writer which can only be paralleled by Frank McCourt's *Angela's Ashes*. In addition, Wallace introduces us into a nightmarish and oppressive intimate play of an often ambivalent, always secretive, and ultimately supportive mother and daughter relationship. The Irish and the Irish community in the US should be extremely interested in this very impressive story. If you read the book you see the movie already in your inner eye. Absolutely great! This subtle and complex book is irresistible, and as a reader I am asking myself: Has Hollywood called yet?

Kurzbeschreibung The search for self begins with the loss of self. *The Invisible Thread* is a memoir of personal discovery, which will surprise the reader as much as it often surprises the narrator as she unearths events of her life with a voice of cathartic awareness. The story begins with a young child who is ripped away from a loving home by her biological mother and a mentally ill aunt. As she is driven away, she watches her peaceful life vanish into the distance. Told that her father is dead, they live a life on the lamb, moving ten times in ten years over 4,000 miles. Ensnared in the twists and turns of a disturbing life, she finds herself pitted in a life-and-death struggle, choreographing an impending disaster whose dramatic outcome unwittingly takes her to Ireland and the Invisible Thread of her roots. And this is where the story begins, as the protagonist traverses continents and oceans with a relentless determination that will reunite her with the lost child of her innocence and ultimately reveal the shocking truth.
