Kurzbeschreibung This gently spooky twist on The Itsy Bitsy Spider makes a favorite nursery rhyme just perfect for Halloween! The itsy bitsy pumpkin rolled down the spooky street. He passed a ghoulish ghost and some stinky goblins feet. A little pumpkin is trying to find his way back home! And with a little help from a friendly witch, he is soon safe and sound, back on his porch where there are no spiders to be seen! Little ones will love this fresh fall spin on a classic nursery rhyme!
